

REMARKS

Claims 1, 10 and 13 to 15 were rejected under 35 U.S.C. 102(b). Claims 2 to 9, 11 and 12 were indicated as allowable. Claims 16 to 19 were allowed.

Claim 1 has been amended to incorporate the limitations of allowed claim 17, which was dependent on claim 1. Other claims have been made to depend on allowed claim 16. Allowed claim 19 has been canceled and the limitation incorporated into its dependent claim 15. Claims 20 and 21 have been added, and depend from allowed claim 16.

It is noted that the statements for reasons of allowance that the word “delimited” found in claim 16 after the word jacket is missing, and it is assumed this was a typographical error. The hollow space of the angle bar jacket is delimited by the closing elements, and the claim does not require that the closing elements feed air.

All claims now pending have been indicated as allowable. Reconsideration of the present application and withdrawal of the rejection under 35 U.S.C. 102 is respectfully requested.

CONCLUSION

The present application is believed to be in condition for allowance and applicants respectfully request such action.

If any additional fees are deemed to be due at this time, the Assistant Commissioner is authorized to charge payment of the same to Deposit Account No. 50-0552.

Respectfully presented,
